

Stephanie Goddard
Executive Vice President
Visionary of Guiding Leaders

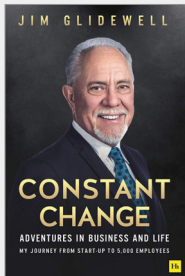

Stephanie was recognized as The Lucy Hobbs Project's 2020 Mentor award recipient for her dedication to elevating women in the workplace, and specifically for her visionary creation of the "Guiding Leaders" program for female dentists designed to teach business principles, encourage networking, and develop future key opinion leaders. "During the worst of the shutdown earlier this year, all of the participants came together to share advice and support through weekly virtual happy hours," Goddard said. "They showed the sisterhood that I had hoped the Guiding Leaders program would enable for female dentists." For more information on Stephanie's award, check out the story on the Smile Bulletin ([lnkd.in/dcunH_2](https://www.linkedin.com/company/dcunh-2)).

WE WANT TO HEAR FROM YOU!
Please take our short survey online (<https://glidewell.typeform.com/to/zcyA0c>), or send an email to newsletter@glidewell.com with any ideas or feedback about Smile Connection. It's your newsletter and we want it to reflect what's important to you!

AN ADVENTURE STORY ABOUT US

Our founder and CEO has published a book about his life and our company. "Constant Change: Adventures in Business and Life" is available for pre-order on Amazon.com (<https://glidewell.dental/ConstantChangeBook>).

“*Ultimately, the growth and success of any business depends on substantial planning and consistent preparation. I strongly believe that hope is not a business plan.*”

CROWN WORLD HAPPENINGS

Crown World recently celebrated life and joy with a "cute baby contest." Little Luna Sophia was "crowned" cutest baby and won a \$25 Amazon gift card. Proud mom, **Daymara Causaras Hernandez**, works in Quality Control, and her Finishing Supervisor, **Amir Boulis**, graciously matched the dollar amount, bringing the total prize to \$50.

From left to right: Scan/Design Team Lead Lidica Cuan Cordon's baby, Katherine Delgado-Cuan; Customer Experience Manager Mary Aziz's baby, Aydin Sadykov; and "Cutest Baby" Luna Sophia.

Lisa brings a bit of autumn into Crown World with her love and knack for decorating.

To welcome the fall season, Crown World also held a pumpkin carving contest and hung festive decorations. Administrative Assistant **Lisa Krystaponis** says, "In 2020, everything around us has been crazy – tossed up in the air and rearranged! Decorating for fall here is my little bit of 'normal.' It's my favorite season and the colorful leaves are falling so quickly outside. Now, we can have fall inside that will last a little longer!" Peek at Lisa's decorations and winning pumpkin under View Past Events on the online edition of Smile Connection (glidewell.dental/smileconnection).

To raise awareness for prostate cancer and men's health month, Glidewell wore **BLUE** to work on November 18th. Browse selfies and socially distanced group photos on our online Smile Connection page (glidewell.dental/smileconnection) along with other past event photos like Halloween, Breast Cancer Awareness and more!
